1. WHAT IS THE PARTICIPACTION COMMUNITY CHALLENGE?

The goal of the Challenge is to get Canadians moving during the month of June and to declare the most active communities in Canada. Organizations are encouraged to register and track the number of participants that take part in events and programs that are delivered by the organizations during the Challenge timeframe. The more organizations that register and the more participants and activities that organizations track during the Challenge Period, the greater chance their Community (the “**participating community**”) has to win a prize in the Challenge. Individuals can also contribute to the Challenge by taking the pledge to get active on the ParticipACTION website. Participant communities in this Challenge must always comply with all applicable Rules. In the event of any violation of such terms, ParticipACTION (the “**Sponsor**”) may, in its sole and absolute discretion, disqualify any organizations from tracking participants in this Challenge. Additional information and a comprehensive list of FAQ’s and answers regarding this Challenge can be found on the Community Challenge website <https://www.participaction.com/programs/community-challenge/>

4. ELIGIBLE INDIVIDUALS/ORGANIZATIONS:

This Challenge is only open to legal residents of Canada as of the start of the Challenge Period. Challenge participation can take place through the following two methods:

1 – Individuals: Individuals can participate by pledging to get active during the Challenge on the [ParticipACTION website](#). By taking the pledge and providing their email address and postal code, their participation will count towards their assigned community’s score. The more individuals that sign-up within a community, the greater the community’s score. See section #9 WINNING COMMUNITY SELECTION for more details.

2 – Organizations: Organizations can participate in the Challenge by registering on the [ParticipACTION website](#). By providing the organization’s postal code as part of registration, their activities will count towards their assigned community’s score. During the Challenge period, organizations can record their activities and track the number of participants that take part in their activities. The more activities and participants tracked, the more it benefits their community’s score.

See Section 9 WINNING COMMUNITY SELECTION for further details on the winning community selection process. There is no individual prizing within the Challenge.

5. ELIGIBLE COMMUNITIES (the “PARTICIPATING COMMUNITY”):

The Challenge is open to all communities that have been deemed eligible by the Sponsor (“**Participating Community**”). Eligible Communities do not need to register as they are automatically registered to participate in the Challenge.

For a Community to be eligible, it must have a minimum population of 1,000 people, as defined by Statistics Canada. Geographic locations with a population less than 1,000 may be combined with those in close proximity to create a Community or be kept as its own eligible community, at Sponsor's sole discretion and having regard for other factors relevant to the implementation of this criterion (such as considerations for northern or remote regions).

In all cases, the use of postal codes as defined by Canada Post will be used to assign individuals to a respective eligible Community. All organizations tracking their activities and participants in the Challenge will be assigned to a Community based on their postal code, with their activities and participant counts contributing to that Community's results.

For further details on Communities please visit the Challenge website or for further inquiries please contact the Sponsor by email at projects@participaction.com. Please reference "Community Challenge" in the subject line.

6. ELIGIBLE PROVINCES / TERRITORIES:

For the purposes of determining Community winners in this Challenge, Canada has been divided into the 10 province and 3 territories that make up Canada as follows.

- Alberta
- British-Columbia
- Manitoba
- Saskatchewan
- Newfoundland and Labrador
- New Brunswick
- Northwest Territories
- Nova Scotia
- Nunavut
- Ontario
- Prince Edward Island

The number of Communities within each Province and Territory varies and is based on the dissemination of population within the Region.

During the Challenge, a Community Leaderboard will be displayed at <https://www.participaction.com/programs/community-challenge/> which will highlight the top 20 communities per Province and Territory.

7. ACTIVITIES / PARTICIPANTS:

Activities are defined as programs or events that are delivered by organizations during which participants engage in physical activity. The activities and participants that are tracked against the activities by the organization will count towards his/her Community's total score in the Challenge.

8. HOW TO REGISTER ACTIVITIES AND TRACK PARTICIPANTS:

Activity and participant tracking by organizations takes place exclusively online on the Community Challenge website. To access the website, enter the following in your web browser

<https://www.participaction.com/challenge>.

Prior to tracking activity and participants, organizations are required to register by creating an account on the Challenge website. In order to create an account, the organization will be required to provide organizational and program details, including organization name, organization contact, email, address, and postal code. This information will only be used for the specific purpose of tracking activities and participants in the Challenge, to determine the winners in the Challenge, to provide communications related to the Challenge or other ParticipACTION initiatives and to report on the challenge results (data will be aggregated and de-identified)

All activities and participants tracked will contribute to the organization's assigned Community as determined by their postal code.

All activities and tracked participants are subject to verification at any time, and by entering participants, you represent and warrant that they reflect the actual number of participants that took part in the applicable activity. The Sponsor reserves the right, in its sole and absolute discretion, to require proof of identity and/or eligibility from any organization, which proof shall be in the form required by the Sponsor. Failure to accurately track activities and participants, or to provide proof of identity and/or eligibility to the satisfaction of the Sponsor in a timely manner, may result in disqualification and/or deletion of activities and/or participants from your Community total and/or disqualification from the Challenge.

9. PARTICIPATING COMMUNITY WINNER SELECTION:

Finalists

On June 30, 2025 at 11:59 PM PT, ParticipACTION will start the process of selecting forty (40) Community finalists from each of the thirteen (13) Provinces and Territories as outlined below:

- **Total activities tracked**, as calculated by the total number of activities tracked by organizations for that respective community. The weight of this criteria in the final calculation is 10%
- **Average activities tracked by population**, as calculated by the total activities tracked divided by the Community's population. The weight of this criterion in the final calculation is 5%
- **Total number of participants**, as calculated by the total number of unique individuals who signed up on the Community Challenge webpage and from all organizations who tracked participants for that respective community. The weight of this criterion in the final calculation is 25%

In all such criteria, total population will be determined by the statistical information included in the Statistics Canada, Census 2016.

The communities with the highest scores based on the Finalist Criteria will be selected as potential Finalists for that Province or Territory, subject to response to notification, verification and other compliance with these Rules.

Provincial / Territorial Winners

The Finalists will be invited by Sponsor to submit a Finalist Submission. The Finalist Submission will require Finalists to answer to five (5) questions posed by Sponsor. **The Finalist Submission must comply with the Submission Guidelines (as defined below) and be submitted to Sponsor by July 10, 2025 at 11:59 PM PT.**

All Finalist Submissions will then be reviewed by a panel of at least three (3) impartial judges appointed by Sponsor from July 11, 2025 and July 18, 2025 and will be judged and given a Finalist Submission Score out of 70 total points based on the quality, comprehensiveness, practicality, relevance and compelling nature of responses to the questions.

The Finalists final score will then be determined based on combining the two scores as following:

- **30% Finalist Criteria Score**

10. NOTIFICATION AND REQUIREMENTS:

The potential Challenge Provincial and Territorial Finalists will be informed by July 4, 2025. The Representative of a selected Community will be notified on or around July 22, 2025 and may be required to provide certain information and appropriate authorizations in order to collect and accept the prize. Failure by a selected Community Representative to provide the necessary information or authorizations may result in the prize being forfeited and another Community may be awarded the prize.
